Small Producer Assessment (SPA)

**Small
Producer**

A **NEW** amfori BSCI **2.0 audit** launched 08.06.2018

- **Processors and manufacturers** in processed food and non-food sector
- **Independent business unit** not a branch or part of a group
- **Maximum 35 workers**
- **Annual turnover** of maximum 2 million EUR

Small Producer Assessment (SPA)

- Same 13 Performance Areas
- Same audit cycle
- Counts in the Commitment Formula
- Audit integrity programme

- Shorter audit questionnaire (47 Qs)
- Lower data evidence requirements
- Specific auditor guidelines & qualification
- SPA self-assessment tool

Why a SPA?

- Enables **participants to include** small producers in the due diligence strategy
- Facilitates **monitoring beyond tier 1**
- Enables **small producers to access** remediation and capacity building
- **More accurate representation** of the social performance of small producers

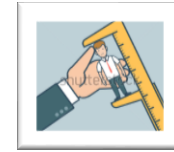

Tools and resources

- 500 + trained auditors
- Guidelines (Annex 12)
- Recorded webinar

- Recorded webinar
- Guidelines (Annex 12)

- Recorded webinar
- Guidelines (Annex 12)
- Self-assessment (Template 12)

Are we ready for SPA?
