Member of the Year Award

Our members have the power to change the world. For the second year, amfori will hold the Members' Award. This award aims to showcase member companies' work and efforts in the field of sustainable trade. Through sharing their inspiring stories and best practices we believe we can leverage on the power of our network and demonstrate how opportunities can be unleashed for businesses and people globally.

Entering the Award

To participate in the Members' Award, all you need to do is complete the entry form and email it back to the address specified. Any representative shortlisted for the Members' Awards must also be able to attend the conference and evening gala.

What Are We Looking For?

We are looking for entries which embrace amfori's vision: a world where all trade delivers social, environmental, and economic benefits for everyone. There are three categories which represent the values underpinning our vision:

- 1. Leadership:** Was your company a leading force in creating positive and sustainable change?
- 2. Collaboration:** How have you fostered collaborative work that drives your performance?
- 3. Excellence:** How have you strived for excellence in the field of sustainable trade?

If you have several projects you wish to highlight, we encourage you to apply for two or three categories.

Read more about the above categories in the application form.

How is the winner chosen?

The submissions will be collected by the amfori secretariat and put forward to the jury. The jury will select three shortlisted nominees (one per category) to make a 6-minute presentation during the amfori Conference on 12 June.

All present members will have the opportunity to cast their vote for the amfori member of the year. The announcement of the winner will be made on 12 June during the evening gala.

Application Deadline: 14 May 2018

The three finalists will be announced on 29 May 2018.

We invite you to submit your application to amfori Membership Officer, Arnaud Hinck - arnaud.hinck@amfori.org
